

The Three
Little Pigs

*Unce upon a time tree brothers ,
they were chanding they were
searching a place to live and found
a beatifufull country side.*

They were building , your houses.
kiko , younger , was building a
straw house.

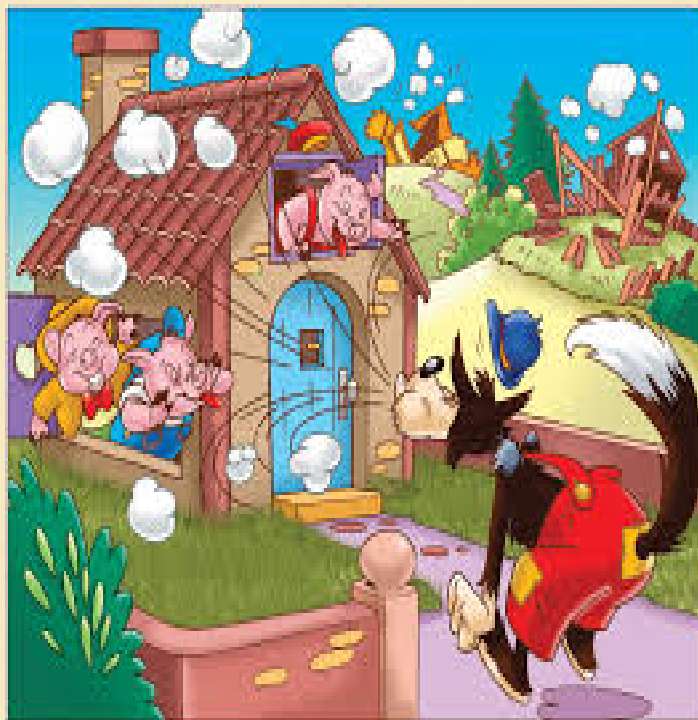

The ted , was building a brick
house.

Bob , half brother , was building a
house

They werent knowing in that place was a wolf , and the wolf was wanting to eat the three little pigs and went to kiko ´s and bob ´s house .

The Ted 's house stayed and the three brothers saved then.

The end !
