

Revive my soul

[Intro: Lindsay Joan] Revive my soul, it's heavy, don't
ya' know? Revive my soul, it's heavier than gold

[Chorus: Rokit Music & Lindsay Joan] He's a black
widow, spinnin' in your head The demon's out to get
you And he's out for revenge In a cartoon world, the
ink is such a mess New evil (Evil, evil) Risin' up again,
so

[Verse 1: Lindsay Joan] In the machine, animate me
Golden eyes, bleeding ink, look at the shading Who did
they think that they could bring? Into the ink like a
puppet with strings But I'm not that kind of lady
Children of the demon come to take me in the night I
sneak around the studio determined to survive
(Survive) But I'm alright, 'cause I'm about to miss the
deadline

[Pre-Chorus: Lindsay Joan] Revive my soul, it's heavy,
don't ya' know? Revive my soul, it's heavier than gold

[Chorus: Rokit Music & Lindsay Joan] He's a black
widow, spinnin' in your head The demon's out to get
you And he's out for revenge In a cartoon world, the
ink is such a mess New evil (Evil, evil) Risin' up again,

so

[Verse 2: Lindsay Joan] Does he breathe? Does he
bleed? Covered in somethin' Does it mean it's a
dream? Why have they done this to me? Who trapped
me with this Ink Machine? My reflection, take a look
at my hands Was it fate or did it happen by chance?
How's a Demon put a girl in a trance? I'm steppin'
one by one 'til the end of the dance

[Pre-Chorus: Lindsay Joan] Revive my soul, it's heavy,
don't ya' know? (It's heavy, don't ya' know?) Revive my
soul, it's heavier than gold (It's heavier than gold)

[Chorus: Rockit Music & Lindsay Joan] He's a black widow, spinnin' in your head The demon's out to get you And he's out for revenge In a cartoon world, the ink is such a mess New evil (Evil, evil) Risin' up again,
so

[Bridge: Lindsay Joan] Hey, shade me with the Ink Machine Bendy's gonna erase me!

[Pre-Chorus: Lindsay Joan] Revive my soul, it's heavy, don't ya' know? Revive my soul, it's heavier than gold
(Heavier than gold)

[Chorus: Rockit Music, Lindsay Joan & Horror Skunx] He's a black widow, spinnin' in your head The demon's out to get you And he's out for revenge (Out for revenge) In a cartoon world, the ink is such a mess
New evil (Evil, evil, evil) Risin' up again, so
