My dear Diary...

I write this on the 7th of May 2013. Well, I'm in high school, my life is not so good, but everything changes, when at school, there's a new boy, he's beautiful... His name is Matthew , he is the most beautiful boy I have ever seen. He has blue eyes, blond hair and a charming smile, all the girls at school fell in love with him, but he ignores them, however, I need to approach him.

As I write this, I can't hide the huge crush I have on Matthew, he's amazing... besides being handsome, he's shy and very smart, but he ignores me. I still didn't have the courage to approach him, so I started writing letters, and leaving them in his locker. I said "you're beautiful" But I still didn't have an answer.

Sometimes Matthew notices me looking at him, but he doesn't look back. It's clear he's not interested in me. but I can't forget him, I need to try another strategy....

Today in the hallway at school, Matthew accidentally dropped his books, I ran over, bent down and picked it up for him, then he looked at me and said "thank you". when he looked at me, i shivered all over, those blue eyes broke me up.... i am so in love with Matthew.

I asked my friends what should I do to get Matthew's attention, he ignores me but I love him, what should I do to get Matthew's attention? that's when one of my friends said: wear flashy clothes, no man can resist " so I did as they said, I changed my look, I wore fitted pants, which highlights the ass, and a tight blouse, which highlights the breasts, I also spent a little makeup, and when I got to school, all the boys noticed me, they all stopped what they were doing to look at me
