

A large pile of logs is stacked on a stone bridge over a river. The logs are arranged in neat rows, extending from the foreground into the distance. The bridge is constructed from large, dark stones. To the left, a calm river flows, bordered by lush green trees and vegetation. In the background, rolling hills or mountains are visible under a clear sky. The text "O meu Grito" is overlaid in the upper center of the image.

O meu Grito
