

a girl named Katya

FRIENDS FOREVER

Ladies and gentlemen, now on our talk show we will interview the most famous and influential celebrity of the moment. Come on in, Katya!

The curtains open, Katya goes on stage and is applauded by a huge audience full of fans who were waiting for her. The girl feels completely happy and fulfilled, but also a little shy about being seen by a lot of people.

-Very good. Katya, tell us how important it is for you to act in the film series "A Girl Named Katya"! Says the interviewer.

-It is wonderful. I love acting in this series of films and the character "Katya" totally suits me. Katya replied,

being applauded by the audience afterwards.

-Perfect! Katya, now tell us, how does it feel to be the most famous actress at the moment? asked the interviewer.

-Well, the feeling is...

-Katya!

A person in the audience screams.

-Katya!

Katya looks towards the audience.

-Katya!

Katya notices that her mother is in the audience and she is the one screaming.

-Wake up Katya!

Katya opens her eyes and finds herself lying in her bed, and her mother looking at her, and at that moment Katya realizes that it was all just a dream.

-Good morning! Katya's mother says, smiling.

-Good morning Mother. Katya replied, sleepily.

-Go down and have your coffee, today is your first day at university, you can't be late! Katya's mother replied.

-It's okay, mom... Katya replied, a little frustrated at having her sleep interrupted while she was having a wonderful dream.

The girl who dreamed of being an actress

As soon as Katya sat down at the table to have breakfast, her sister Bella sat next to her and asked: -Wow, it's already eight o'clock in the morning, what a good life this is as a university student! I also wish I could wake up late. Katya didn't answer anything, just continued eating her delicious breakfast. -Which college did you choose? Bella asks again. -Performing Arts. Katya responds. -Huuuum, I think you'll be a good actress! Bella replied.

At university, Katya still talked to her old friends, but not like she used to. Only Alice had chosen the same career as Katya. Other friends of hers chose other careers, Lewis chose to be a chef, Davi chose to be a scientist and Ethan chose to be a dentist. However, they all attended the same university as Katya, and they always met in the cafeteria for long conversations.

-Ethan, who do you think is still a virgin in our class?
David asked.

-I don't know, I think the majority in our class are no longer virgins. Ethan replied.

-I think Sean is still a virgin. Lewis replied.

-Is Sean a virgin? In what world do you live in? David asked.

-Why you say that? Lewis asked.

-Notice Sean's voice, his voice is thick and manly. It's impossible for this guy to be a virgin. David replied.

-And Adam? Maybe he's a virgin. Ethan said.

-Why do you think that? Lewis asked.

-He's very nerdy. I don't believe he's ever had sex. Ethan replied.

Katya and Alice join the table.

-Hi boys. Says Katya and Alice at the same time.

-Hello! The three boys respond together.

-What were you talking about? Katya asks.

-We were talking about football. Ethan replied.

-I imagine. Alice replied ironically.

Just as Katya got distracted, a blonde girl approaches and spills her juice on Katya.

-Oops, I'm sorry! Said the girl, without appearing to have any regrets.

-Watch where you're going! Said Alice towards the girl.

-Katya, are you okay? Ethan asked.

- Yes, I am, she just wet my pants. Katya replied.

-You know her? David asked.

-I've never seen this girl in my entire life. Katya replied.

The girl who had thrown juice at Katya was tall and blonde, but she was wearing a beanie and her face was not fully visible. Even after this incident, Katya decided to forget it and go to her class.

-Hello everybody! My name is Henry Mckennie, for those who don't know, I'm Irish, and I will be the Performing Arts instructor at this university. Firstly, I'm very happy to know that you chose acting for your life, and know that Performing Arts encompasses a lot! Not just acting. There are several areas available in the job market for someone with a degree in Performing Arts to work, mainly in television, theater, cinema, etc. So, I would like to welcome everyone who chose this college. Said the instructor.

As soon as the first class had ended, Katya left her class and headed towards the hallway, when the same tall, blonde girl walks towards her and bumps into Katya, causing her books and notebook to fall to the floor. But this time Katya got angry and said to the girl out loud:

-What's your problem?!

Soon after, the girl turns towards Katya, smiles and then takes off her hat, revealing her face. Katya is startled, she slightly loses her balance and almost falls to the ground. She couldn't believe what she was seeing. That girl... is Brittany.

-Hello, Katya. How long has it been... Brittany said.

- What...what...what are you doing here? Katya replied.

-What am I doing here? How do you dare? Do you remember that day in high school? When you put that pornographic magazine in my backpack, you destroyed my reputation. You broke up with me. I was expelled from school, I lost my friends, I lost everything. You ended my life. Brittany replied.

Memories of a forgotten past

-Brittany? Ahhhh that name disgusts me. Alice said.

-She is apparently very angry with me, she told me that she lost everything when we put that pornographic magazine in her backpack.

-That was really funny. Alice said, laughing.

-I wonder, how did she manage to get into this university? Her reputation was completely tarnished. Katya said.

-Her parents are rich. Alice replied.

-I think money wouldn't be enough. She did something to get into this university. Katya said.

-Who knows. Alice replied.

In class, Katya and Alice were sitting together, while instructor Henry McKennie announced:

-Guys, we are going to do a play, based on the novel by Nate Adam and Linda Herren. Form groups and choose who will be the characters. The group that performs best will win a ticket to intern in Hollywood!

As soon as Henry finished his sentence, all the students became silent and wide-eyed.

-Wait, did you say Hollywood?

-That's right! Hollywood! Said Henry McKennie.

-I will go to Hollywood, because I will win. I'm the best of them all and I'll be the actress of the year. Brittany said.

-Katya, we need to do this play, we need to win this. Alice said.

-But how? The chosen play will be the Romance of Nate Adam and Linda Herren, we are two girls! We need one more boy for this play and we don't know anyone in our class who can help us. Linda and Nate's romance has five characters, two girls and three boys, where will we find three more boys? Katya replied.

-Katya, are you serious? Did you happen to forget our best friends? Lewis, David and Ethan? Alice replied.

-And do you think they will accept it? Katya replied.

-They will do it for us. Alice replied.

-Do not even think about it. David said.

-You're joking, right? Ethan said.

-I'm sorry, but I don't want to be part of this. Lewis said.

-Please, boys, don't leave us hanging! Alice said.

-You know I don't like these things, Alice. I'm sorry.
Lewis replied.

-This means a lot to me and Alice, please boys,
accept it... Katya said.

-I can not do this. I'm sorry. Ethan replied.

-Don't worry, you will find other boys who will agree
to do this with you. David replied.

-But you are our best friends! That would be much
better with you guys. Alice replied.

-Sorry girls, but no. Lewis replied.

-I told you they wouldn't accept it, friend. Katya said to Alice. After that, Katya saw her dream of going to Hollywood fall apart, she felt disappointed that her friends didn't accept to help her and she sat on the floor and started crying. Soon after, Davi, Lewis and Ethan looked at Katya and felt terrible about it. That was when Davi approached Katya, hugged her and said:

-I agree to participate in the play.

Katya instantly cheered up and hugged Davi and said:

-Thank you very much! Thank you thank you.

Soon after, the boys said:

-I accept being part of this too. Lewis said.

-If it's to make Katya smile, I'll take it too. Ethan said.

-Thank you children! You don't know how much you are helping us! Alice replied.

-We are best friends now and forever. If one of us is sad, we all are. And if one of us is happy, we all are. Lewis replied.

Then Katya and her friends came together and hugged.

The Nate Adam and Linda Herren's romance

Katya and her friends gathered at her house to practice the play. They spent several hours a day training and dedicating themselves and within two weeks they had the piece completely ready. -Katya! My friend, with this script, we are going to Hollywood. Our piece is perfect! Alice said. -Yes, our piece was wonderful. The boys performed very well. I'm looking forward to the day of the presentation. Katya replied. On the day of the presentation, everyone was very excited. Ladies and gentlemen, are you ready for the introductions? The first group to perform is Brittany's group! You can go on stage!

Just as Brittany and her group begin to perform, Katya and Alice notice something strange.

-Wait, I know these lines... Alice said.

-She stole our script! Katya said.

-What a ridiculous girl! That was our play! How did she have access to this? Alice said.

-I don't know, I left the script we created in my closet, maybe she took it... Katya said.

-I'm sure she saw it when you put it in her closet. Alice said.

-What are we going to do now? Katya said.

-I don't know, we're in trouble. Alice replied.

Ladies and gentlemen, this was Brittany's presentation, congratulations! I confess that I was impressed, the best presentation I've ever seen. Henry said.

As soon as Brittany and her group got down, Brittany came up to Katya, smiled in a Machiavellian way and said:

-Thank you, thanks to you I will go to Hollywood, you idiot.

Katya was extremely angry, but she could do nothing.

Ladies and gentlemen, now we will welcome Júlia Seregina's group to the stage, and after that we will end with the last group, Katya's group! Said the instructor.

-Katya, we don't have much time. What are we going to say to them? Alice said.

-We won't say anything, we will act. Katya replied.

-As? Alice replied.

-Let the boys know, we'll improvise. Katya replied.

-Are you sure about that? Alice replied.

-Yes, trust me. Katya replied.

While Júlia Seregina's group was performing, Katya was discussing with Alice, Davi, Lewis and Ethan how they would perform. Everyone was going to do something risky and new, improvised acting. They were going to do a new play, a different play from the old one, and they were going to surpass themselves and be better than they were before. It was something extremely complex and difficult, but Katya would play the role of Linda Herren, the main role, and Katya had the greatest responsibility in her hands.

-Ladies and gentlemen, now it's Katya's group's turn!

Katya closed her eyes, took a deep breath and lifted her head. At that moment she was feeling a new energy, something that even she couldn't explain, it was at that moment that Katya realized that she was a true actress. She went on stage, followed by Alice, Davi, Lewis and Ethan. Your best friends ever. And at that moment Katya remembered what her sister Bella had said to her "I think you are an excellent actress!"

Katya and her friends did the play, they acted and took improvisation seriously, it was difficult, but they managed to do it. And during the performance, everyone was impressed with how well Katya performed, including her friends.

As soon as the presentation came to an end, Katya and her friends came down from the stage and were applauded and then joined the other students to wait for the results.

-Congratulations! What a wonderful piece! Said Henry McKennie.

Katya was extremely happy, not only for the play, but to be living it with her friends, Alice, Davi, Lewis and Ethan... her best friends ever.

-Guys, this is one of the best days of my life, we rocked it! Katya said.

-Yes! Our performance was wonderful, even though we performed improvised. Alice replied.

-And if we don't go to Hollywood, I don't care. I had so much fun with you today, and I will never forget this day.

Once all the pieces were finished, it was time to find out which piece was the winner.

-Guys, first of all, I want you to know that I loved all the presentations, they were all wonderful. And know that it was very difficult to choose the winning piece. Anyway, I'm very proud of you guys. Now let's get down to business! The winner is...

At that moment, Brittany and the other students were completely anxious, but Katya was completely normal, she didn't care so much about going to Hollywood anymore, she had her best friends who were always there for her, and that's what mattered.

-Congratulations, Katya and Alice! Your play was the winner, you're going to Hollywood!

Katya and Alice screamed.

-Friend! I don't believe! We're going to Hollywood!!!
Alice said.

-My God!! I need to tell my parents this, I don't
believe it!

At that moment, Brittany becomes extremely furious
and leaves the room.

Life in the cinema

Katya, her parents and her friends were at the airport.

-My daughter, I am so proud of you. Katya's mother said.

-When you arrive in Hollywood, don't forget to send us a message and let us know how you are. Katya's father said.

-I knew! I said you could do it, I knew it! You are an excellent actress! Bella said.

Katya hugged her family then and said goodbye.

Now it was time to say goodbye to her friends, Davi, Lewis and Ethan. Because Alice would go to Hollywood together with Katya. Like Katya, Alice also studied performing arts at college.

-We are very proud of you, Katya. Lewis said.

-Now that you'll be in Hollywood, don't forget about us, okay? Ethan said.

-I will never forget you. Never. Katya replied.

-Congratulations, Katya, you will be an excellent actress, I'm sure of it. David said.

-I wouldn't have achieved this without you. Katya replied.

Katya hugs her friends one last time before boarding, and she starts to cry.

-Don't cry, it's okay. Alice said, comforting Katya.

-Do not say goodbye! This is just a see you later. Ethan said.

-See you later, boys! We will come back to visit you. Katya said.

5 years later...

-Now, in all theaters in America, the movie " A Girl Named Katya" is selling out quickly. The success of actresses Katya and Alice is only growing and some reports say that these two actresses have busy schedules.

I'm reporter Cole Jensen, speaking directly from The New York Times.

Katya and Alice are in a limousine, heading to a talk show to give an interview. And when passing by a gas station, Katya notices something strange, when she pays attention, she realizes that it is Brittany who is at the gas station refueling the cars. With a face of total dissatisfaction and disappointment, she wears a sweatshirt with a hood to try to hide her face and so people don't see her in that situation.

And then, the limo arrives, and when Katya and Alice get out of the limo, they are greeted with a huge crowd of fans and several camera flashes from paparazzos. Katya and Alice are taken to the backstage room of the talk show.

-My friend, I'm very excited! All those people want to see us, I'm not used to speaking in public! Alice said.

-I'm anxious too, but try to stay calm! Everything is fine. Katya said.

-Hey, what are you waiting for? Behind these curtains there are a crowd of people wanting to see you two!
It's time! Said the presenter.

-Friend, it's now! I'm so nervous. Alice said.

-Okay, let's go together. Katya said, holding Alice's hand.

-Shall we go into three?

-OK.

-One two three!

The end
