

A short story.

The way I took food to Zeus's room makes me uncomfortable, I always hated serving him, I never liked his cocky way. -Excuse me - I open the door to the god's room and arrange the tray on top of his bed -Nelly... I'm glad you came to bring my breakfast, I need to talk to you. - tall man sits on the bed. -You will go on a mission with my older brother - Zeus says, sipping his coffee calmly. Nelly thinks about Zeus's older brother, she snorts and tries to listen to his mission. - speak - she waits for the man to respond. Zeus laughed when he saw his servant's irritated manner and he patted her shoulders. - go near the sea, there will be a semi-abandoned house on the beach, go in and talk to a man who will be waiting for you there. Zeus says laughing and Nelly snorts leaving the room with quick and long steps.

Nelly didn't say anything against him, just sighed deeply. She got up and walked towards the door until she heard something from Zeus again. - Oh, I almost forgot, not today we see the eyes of the woman who will be next to him.

(...)

She walked through the house where Zeus told her to go from one to the other. She heard a sound of footsteps towards her, a tall woman with hair... no, that wasn't green hair, was it snakes?? Nelly remained motionless, before she could even blink properly the woman attacked her with her large, wide nails, Nelly held her arm preventing her from striking. The jellyfish took off her glasses and smiled,

Nelly looked to the side without looking at the woman, feeling fear taking over her. Medusa laughed loudly sarcastically. - look at me...little Nelly - Medusa said laughing as she stared at the woman in front of her, waiting for her to look at her.

Nelly felt Medusa's hand hold her chin trying to force her to look into her eyes, she will remember what Zeus told her "don't look her in the eyes".

Nelly closed her fist and punched Medusa in the face trying to make the woman leave her side. Medusa walked away with a bloody nose watching the woman, she growled softly, still seeing Nelly with her face turned to the side. Medusa straightened herself up and went at Nelly again, causing her to fall to the ground.

- hmmm you're not that strong, are you? - Medusa said between macabre laughs to Nelly. Nelly tried to get up without looking the woman in the eye, she became irritated.

-You monster, you're disgusting...- Nelly said trying to get up. Medusa placed her foot on Nelly's shoulders, making her moan in pain.

Nelly's shoulder was being stepped on by jellyfish who had a mischievous smile on her face.

Medusa raised her sword towards Nelly. She laughed loudly and raised her sword arm.

- send a message to Hades, please - Medusa says laughing as she would throw her sword at Nelly, or at least try.

Medusa tries to throw her sword at Nelly, but is surprised by a hand. The blonde man grabbed Medusa's hand, stopping her from attacking Nelly.

- Stop it jellyfish. - Poseidon speaks, holding the woman's hand tightly, preventing her from doing something.

Medusa growled loudly, she looked hatefully at Poseidon feeling a huge anger in her chest.

- get out of here, before I enlighten you. - Poseidon says, looking at her, Medusa took slow steps back as soon as Poseidon let go of her.

Poseidon saw Nelly cowering in the corner scared and reached out his hand to help her, he smiles at her waiting for her to hold on to his hand.

- It's okay now, Nelly - Poseidon says.

Nelly didn't know how he knew her name, she just held on to the man's hand who helped her get up. He was tall and had blond hair and eyes as blue as the sea.

- Thank you, sir - Nelly says, bowing a little in front of the sea god.

Poseidon smiled gently, Medusa growled softly, she walked away, climbing into the fog outside, Nelly followed her with her gaze. Poseidon touched Nelly's shoulder, drawing her attention to him again.

- Did Zeus send you? - Poseidon asks smiling.

Nelly smiled back, she nodded yes to Poseidon.

-So let's go.. - Poseidon said taking his trident leaving Nelly confused, she walked back - what is it? I don't bite - he says, laughing softly.

- Where are we going, sir? I don't understand... - she says confused and Poseidon snorts.

-You will be my new servant. I will be your god now. - Poseidon speaks, opening a portal with water that Nelly had no idea where it had come from.

The portal formed in the middle of the room they were both in, on top of the portal was written "ωκεανός" Which means ocean.

Poseidon pulled her into the portal, Nelly closed her eyes in fear, but in a matter of seconds she was in a corridor. She looked around and saw ice walls that didn't melt, outside of the ice wall you could see the ocean, she was under the sea or that's what she was understanding.

- do not be afraid. We're home - Poseidon said, laughing as he left the hallway, disappearing from Nelly's sight.

Nelly ran towards the sea god, catching up to him. She entered a blue palace with blue diamonds with him, it was all very beautiful, leaving Nelly enchanted.

-Wow, everything is so beautiful!! - she said excitedly.

Nelly was amazed by everything and felt happy for the first time in her life.

2 years later Nelly was already almost a woman of the sea, as Poseidon called her, she was happy to know that now she had Poseidon, fish and everything. She would no longer suffer at the hand of Zeus as his servant or even less at the hand of Medusa who always mistreated her on some missions, her mission now is: to be happy with her new god.

Poseidon taught her a lot of affection and dedication, which was rare to see from him since he was always ignorant and cold. He had liked Nelly, this surprised Zeus.

But would Nelly now face another monster like Medusa in these adventures? This left Poseidon thinking about his friend, but the good thing was that now friends were happy and cheerful, without any worries or upsets.

I hope they both have new adventures.
