He rented an all-black car and kidnaps his uncle, takes him to an abandoned house in the countryside and says "now it's my turn to play with you, uncle", this torture he was going to do was done in the Middle Ages to kill people accused of witchcraft.

So he killed his uncle Roger, disappeared with his body and disappeared from the map, he spent 6 months hiding in a place, he used various types of drugs, from natural to synthetic, such as LSD, opioids, cocaine, heroin, crack, K9 , after using a lot of drugs in that place, he returns to the city, he no longer had good mental health, after all this happened he came back worse, he ended up doing shit in the city, beating people for no reason and robbing stores, but that was Just the beginning, a few days later he took a teenager to an alley and raped her. And every day he blasphemed the holy spirit, and for those who don't know, this is the worst sin, without forgiveness, after several sins he could no longer stand to live, he was already depressed and suffering from several sexually transmitted diseases, such as genital herpes, syphilis, gonorrhea and HIV. he thought: why live? Then he grabs a gun and shoots himself in the head.

God was already looking at him, seeing all the sins he committed, he tried to help Cesar, sending signs, but Cesar never noticed. When he arrived at the final judgment he said:

- Fuck, heaven really exists.

And God said:

- yes my son, heaven exists, I sent you several signs, but you didn't even care.

Cesar said regretfully:

- I'm sorry sir, I know I did it wrong, have mercy on me.

God was planning a plan to remove evil from the world, so he decided to start this plan with Caesar, God decided to start with Caesar because of all the sins he committed.

God went to explain to Cesar what he was going to do, so he came to Cesar and said:

- my son, I'm going to give you a chance.

Cesar said happily:

- seriously sir? I thank you forever

God said:

- Now I'm going to explain to you how it's going to happen, I'm going to send you to the skies in a red cloak, and there will be a rocket, you're going to have to fill this rocket with good things and then launch it to the earth, so a pure child will be born without any negative thinking. Cesar accepted the proposal and was sent to the cell. with his red cloak.

When he arrived in heaven he saw how beautiful it was there, he did what had to be done and went back to talk to God, and said:

- sir, that place is extraordinary, something unique, and I managed to do what you ordered.

God was very happy with Cesar, he knew that Cesar was just a child who was born with negative thoughts and that's why he committed all those sins.

- And God says:

- beloved son, despite all your sins I forgive you and I know that you have a beautiful spirit, now you are part of us, welcome to heaven Angel Cesar.

And so Cesar's story ends, long live God.
