

The background of the book cover is a complex geometric pattern. It features a grid of light blue lines on a white background. Overlaid on this grid are various shapes in shades of green and yellow, including triangles, hexagons, and larger irregular polygons. The colors range from a pale lime green to a deep forest green, with some bright yellow accents. A large, white rectangular box with a thin black border is centered on the cover, containing the text 'Livro Teste'.
