

Davi's Holiday

This is Davi. He is my grandson. He is four years old. He lives in Rio de Janeiro. He has holiday in December and we go to many places. He loves to go out and visit places.

He plays with the fish. They like bread. They are a family. There are many fish in the lake. Davi loves to feed the fish.

We go to the beach every holiday. Davi makes sand castles and covers his body with sand. He loves it.

Davi loves boats. We go to Guanabara Bay by boat. The boat can move in the road and sail in the water. It's a special boat.
